

VISION MONTESSORI

March Toddler Newsletter

Hurray lets MARCH into Spring! March is also called the Engineering Month. We will be learning about Spring, Butterfly life cycle and a lot more.

February had been a short yet a very busy month learning about love & sharing, Presidents, parts of our body and Dental hygiene. The children were also intrigued to work on the Science experiment 'Ice floats on water.'

This Month

Math: We will revise the numbers 3, 9 and 12.

Language: We will focus on letters e, m, s and the phonics.

Writing: We will continue working on Pincer Grip and tracing along dotted letters, numbers, curved lines, and metal insets.

Science: We will review seasons and learn about the Science experiment – 'Elastic-band powered boat.'

Geography: We will learn about the Solar System.

.

Weekly Theme

March 2nd – 6th Theme: Dr. Seuss's

March 20th – In class Engineering Project

Birthdays

Pahi – 8th

Elora – 22nd

Karthikeya – 29th

Clothing: March is here! Please be aware that we still go outside when it's cold. Make sure that your children have coats, hats, and gloves every day. In addition, please check your child's extra clothing and make sure it is weather appropriate. **(All labeled with his/her name)**.

NOTE: Remember this is a **NUT FREE** School. Please refrain from sending in nuts (*any kind of nuts*) to school with your child, remember their safety comes first.

Acknowledgement

We want to thank all of you for sharing your children with us this year. Please continue to help your child/children with lesson thought at school, as repetition is the key to success! "Repetition is the secret of perfection!" – Maria Montessori.
